BROWN APPOINTED TO MICHIGAN ASSOCIATION OF COUNTIES' ENVIRONMENTAL & REGULATORY AFFAIRS COMMITTEE

MOUNT CLEMENS, Mich. – Macomb County Commissioner Don Brown, R-Washington Township, was appointed to the Michigan Association of Counties' (MAC) Environmental and Regulatory Affairs Committee.

Brown, 42, represents County Board District 13, which includes the village of Romeo and Washington and Bruce townships.

Brown was appointed to serve the two-year term by the committee President Cornie Vander Kam.

The committee reviews state-wide environmental issues and policies, passing resolutions endorsing legislation. The legislation then goes to the MAC Board of Directors for their approval.

"We believe that Commissioner Brown's experience and knowledge of county government will make him a great contributor to the MAC Environmental and Regulatory Affairs Committee," said Tim McGuire, MAC executive director.
